FROM THE PRINCIPAL'S DESK

Greetings

To me there is no picture as beautiful as smiling, bright-eyed, happy children; no music as sweet as their clear and ringing laughter.

This month went on well with lots of cherished events, programmes and happenings like Children's Day, Hungama, Pearson Quiz and Literary Week. Children were given ample opportunities to participate and showcase their talents. We organised field trips to all grades planning the trips to be educative, collaborative and interesting. School also engaged students giving them chance to take part in Olympiads, online assessments and other competitive exams.
